**Lynne Talley**  
*Professor, Physical Oceanography*

**1 March 2007 • 1:30pm • 4500 HUBBS HALL**

*Refreshments will be served*

The Seminar Series is for administrative, technical, engineering and IT staff interested in learning more about the research underway at SIO and UCSD. The seminars are non-technical, and present a broad outline of the research or project presented.

We hope that you can come to meet with your colleagues and learn more about the research underway at SIO.
